“ I first met Jo and Frank at SSA, Charleroi- they were waiting for the bus. We became fast friends and we grew to know quite a bit about each other -- maybe TOO much! I was always in awe of them coming into town almost daily for their bits of groceries and lunch - I always looked forward to our visits. We shared stories of travels and family events. Where that woman didn't go and what she didn't do (with or without Frank!) was just short of amazing! We shared birthday and Christmas cards and an occasional phone call. I got to know most of you if not by sight, by STORIES! And, oh, did she tell some tales! Just when I thought I had lost touch with her, my Dad (Lou G/Rm 225) needed to be in a facility, and we chose R@H. I know she wasn't always thrilled being there, but, she made the best of it. I was more than happy to see that she was still there and she adopted my Dad (a YOUNGER man by 10 years) as her BOYFRIEND. She would give him a big hug and kiss -- just to make everyone wonder what was going on! She had such an ornery streak and, oh, that twinkle in her eyes! My Dad got a kick out of it. I even made sure she met my brother & sister in law from St. Augustine since she had told me she loved that area. I have a picture of she and I taken at one of the parties at R@H and it's been on my refrigerator for years - and there it will stay. I feel extremely honored to be one of her friends and I will miss her as much as you all will. Enjoy the popcorn in her honor -- I got her hooked on it! Bob -- I will see YOU at the Meadows sometime! With love and sympathy --- Mary Lou Lawrence and family
