“ I met Alyssa in 2015, at work. She could walk in and brighten any dull shift. She was a great friend, an amazing mother and had a soul like no other. Alyssa, I know we distanced ourselves over the years, our family's & roads take us in different directions but I do know that you were my friend and I'll forever remember the goofy memories and teary-eyed conversations. I hope you are at peace, my friend.
