“ My heart goes out to all my cousins and the sorrow they are going through. My Aunt was my mom's twin and we were blessed to have two moms cause in a way we did they were identical I remember going to PA and visiting my Aunt and cousins and the great food my Aunt would make she always made enough to feed an army cause in a way she had a army with Seven girls 😊 I will always remember the fun we had when my Aunt and Uncle Tex and the girls would come to Cleveland we all had so much fun. She was an angel on earth and I love her so much and she will forever be in my heart and memories. God wanted a special angel for His choir and my Aunt was the best one He could have taken. Rip Aunt Bertha I will miss you so much till we meet again in heaven
