“ I have so many memories of driving Grandma and Grandpa to church. Sitting around mom's table listening to the stories, the laughter, and even the tears! She was an amazing woman and child of God! I loved her hugs, her kisses, but especially her prayers! She'd get this glint in her eye and you just knew something funny was about to be said or done. I loved that she took me on as one of her granddaughters and taught me so much about living!

“ *Grandma, I want to thank you for always loving me unconditionally..I am ONLY the person I am today because of your love..you loved me so hard I could feel your love and prayers in my darkest hours, on my happiest days, I could always feel your love. I will always hear your chuckle, your stories, I will always see the twinkle in your eye when you were about to joke on someone or when Grandpa was teasing you. You are safe with God and Grandpa now, please give Grandpa a huge hug and kiss from me..I will always eat banana splits and think of you both, I will never taste bread or spaghetti without thinking of you. Your meatballs were my favourite. I am blessed I had you as my Grandma for almost 50 years!! I am a very lucky Granddaughter, you are now my guardian Angel..thank you for coming to Ontario last thanksgiving. I know that trip was hard on you, very hard..you know the time was near and wanted to see everyone one last time..thank you!! Thank you to Uncle Jim and Aunt Susan for getting you here!! In Aunt Debbie's dining room, for a little while I was transformed back to childhood, and it was a tremendous gift, to be with cousins, and aunts and uncles and Grandma..forever loved by my Grandma..your Granddaughter Carolyn (Jo-Fine) xoxo*

“ Donna R. Mishler. I had the best Mom anyone could ever hope for. She raised seven children by love, guidance, hard work and sacrifice, and instilled in us the morals and values of life. I will be forever grateful to my parents for all they did to make us loving and strong people. I will forever love my parents and cherish the memories. I'm so sorry I could not be there with my Mom in her last days and hours. I love you so much Mom.
