“ Candy was such a great home health aide. I truly appreciated everything she did when we hired her as a caretaker for my dad following his open heart surgery. The fact that she was family was a huge bonus!
Rest in peace, cousin Candy. I am certain you are up in Heaven, laughing and carrying on with your mom. We will always remember your contagious laugh, and how much you loved your granddaughters. We definitely lost you way too soon, but God had a plan for all of us.
My deepest condolences go out to Heidi, Rylee, Maddie, Dave, and of who loved her. May God bless you and help to bring you peace.
Sincerely,
Mauree

“ Candy and I lived in the same neighborhood growing up (she lived on Cycle and I was on Areford) we would spend all our time together during summer months. She had the coolest bedroom and I remember thinking she was the luckiest girl because she had a waterbed! She was an amazing artist, my favorite drawing she did was of Madonna from the cover of her album. When I close my eyes I can still see her, helping teach me how to wear my makeup and ripping the necks out of our sweatshirts so it would hang off our shoulders (that style has come back too!) Candy will always be one of my favorite childhood memories, I pray for her everlasting peace.

“ One of my first memories of Candy is when I was 18 and she would of been 10 . I just started dating her uncle Rick . We were at her house on church street and I remember her showing me her cartwheels and other gymnastic moves . I loved her energy and beautiful smile .

What a spirit and what a talker we will miss. Something a lot of folks do not know about my niece Candy. She was a closet KC Chiefs fan. She wore a number 87 jersey while my Sister Chi Chi wore number 15 for any Chiefs game that was on TV. They would call me before the game and many times were fixing nachos for the game. I miss those calls from them and I will miss Candy. Rest in peace my niece.
