“ I stayed all night at the Youngs house. Carol's mom and Dad went out that night. Minnie told us 3 not to open a box. (10 IN BOX) BECAUSE they were for Roy's for his lunch for work. We'll Carol decided she wanted 1 so she open the box and ate one. When Minnie and Roy got home Minnie seen the box had been open. Found out Carol had gotten into them so as her punishment Minnie made her sit down while we all watched and Minnie told her to sit there and eat the whole box. Course Carol did and loved every one of them while we were all laughing except Minnie. We thought she would be sick by eating all 10 twinkle. She didn't get sick at all. She said to this day she still bought them and put them in fridge and still ate a couple now and then. Guess she loved them so much after eating a whole box at once just never bother her. I remember laughing so hard when Minnie made her eat a whole box of them at a time was just the punishment Carol enjoyed. I will never forget that night. Just like I will never forget Carol. I will miss and Love her so much , was a happy- fun friend . Now she is one of my Angels and a beautiful one I am sure of that. "Will miss you Carol" Love you " Your friend Cyndi <3
