“ *Carol will always be one of my dearest friends. We had the best times together, and when we moved to South Carolina, Carol was one of my friends I missed the most. We talked every two weeks by phone and always had the best conversations. I still remember vividly the first time I met her at Cal U and thought “I want to be this articulate, beautifully put-together lady.” Carol, I love you, and I will never forget you. Joe and I know that you and Jim are reunited and are in Paradise together. Love always, Dee Stalvey* ”
