“ We have so many wonderful memories of Chuck. Our mission trip to Mexico, working side by side at the church for nearly every service, waiting anxiously for him to show up in his Santa suit for the preschool and church and so many more. He was always willing to help and he has left a void. We'll miss the jingle of the coins in his pocket and his smile that lit up the room. Enjoy your great reward, Chuck!

“ The community has lost a leader with a big heart; the family has lost a dedicated and loving father; children have lost Santa. Chuck Hewitt will long be remembered for his unselfish dedication to so many. His passing leaves a void in BVA that cannot be filled.

“ To the Hewitt family, I am so sorry for your loss. I knew Charles from seeing him in the stores and resturants when he would see my girls and give them a gold dollar. And playing Santa. He was a great person so kind and sweet, one of a kind. Seen him 2 weeks ago when he cut his finger and my youngest daughter kept calling him HoHo all through Walmart and he would turn around and smile at her and wave. My oldest daughter was upset he was hurt and said she would pray for him and wanted to send him a card so we did. He will be missed!
