“ Jason, Darla, and Gabi, so sorry for your loss. Your mother was a lovely person and every time I remember seeing her she had a smile on her face. You guys made her life brighter just like she did yours. Jack took such good care of her and loved her! My favorite memory was the night you guys got engaged and Jason M and I were on your porch and she and Jack were sitting in their car! She just laughed at us. She will be missed. Terry and I send our condolences and love you very much.
