“ *Mr. Stewart was my favorite teacher in the high school. He was always encouraging, and I don't think I ever heard an unkind word come from his mouth. I own a business in which I design and produce signs and truck lettering, and I credit Mr. Stewart's always-positive attitude toward me and my work as a student for making me believe that I could ever take on such an endeavor. I'm glad I got the opportunity to tell him in person how he inspired me all this years ago. Thank you Mr. Stewart!*

“ *I had Mr. Stewart for study hall and he was amazing. When we didn't listen he made us write 100 definitions out of the dictionary. I have a strong vocabulary as a result and I am thankful for him. He was an amazing teacher that cared about his students. He kept us all straight! Rest with God Mr. Stewart, you have fought a good fight and now have the victory. Condolences to the family.
