“ Rest In Peace to the greatest man. I ever knew he was a big inspiration in my young life I have know him since I was born. He was there for me since I was born. I couldn't ask for a better father in my life. He taught me so much in my young life when he was around. I'll miss him a lot and don't ever want another dad in my life. I had so much fun over the years growing up with you. Rest In Peace big guy I love you and miss you so much Dad!!!! ❤️

“ *From the moment that I met Dan, I realized that he was not easily offended. My greatest fear was that I would upset or anger him; however, I quickly learned that his easy going personality prevented that from happening. During our recent trip, I realized just how much I admire him for his calm demeanor and his deep love for his family. He has truly touched my life and I am grateful for the opportunity to spend time with this great man.*
