“ *My deepest sympathy to Lisa, Lauren, DJ, Colleen, and Mr and Mrs Truskey. 5 minutes after I met Dan he had me laughing so hard I was crying at a funny story he was telling. He was a sweet, funny, warm-hearted guy. I will miss picking out music together at BC, all of us dancing, his funny stories, sitting around the fire, watching him on the slip and slide, etc. I will miss you my friend. The world was a brighter place with you in it. Paula Bandollar*

“ I grew up with Lauren, and have a lot of fond memories of her family. We used to sled ride in the winter all the time and her dad used to build ramps for us. We always got so excited. We would try to hit the ramps as fast as we could, which usually resulted in us crashing, but we always got up and kept going. Laughing the entire time. Dan would always laugh along with us. Rest easy, Dan.

“ *Sitting around the fire, floating in the pool or just hanging out drinking a beer was always made more fun with Dan around. He always had some story, joke or comment that made you laugh until you cried. It's hard to imagine summer coming and for him not to be there for the weekly porch party. We will miss him but will always remember the great friend that he became to us. Our deepest sympathy Wade and Liz Stickler & Family*

“ I will never forget all the good times my family has had with Dan. Whether it was swimming in the pool, sitting around a fire, drinking beers on the porch, swapping Outer Banks stories, playing cards and having sing alongs at the Hunkey, there were always so many laughs when he was around. Dan was the best story teller and had the funniest jokes. I’m so thankful for DJ introducing his dad to my family. My kids always looked forward to going over and seeing Dan and Lisa, and my son looked up to him so much and always will. Til we meet again, bud. You’re still “my favorite Truskey.” ❤️
