“ Deanna, I was shocked by your passing. I live 3000 miles away, but have enjoyed your comments and updates on facebook for years. I'll always picture you from High School with your jean jacket, big hair and big smile. Your beautiful red hair was the perfect highlight for your beautiful face. A great girl who stood up for your friends and beliefs, you were caring and kind, but not one to cross. I wish you all the peace and joy the next life has to offer as you surely are deserving of rest and grace. For your family, I am so sorry. She was a beautiful human being, always be proud of that peace of Deanna in your lives and in your hearts..

“ I met Dee Dee, back while I was in highschool. She would come to California to visit her then boyfriend, and my friend Jeff. We instantly hit it off as friends. But I did have a soft spot for her. She was so beautiful! And just an absolute angel. We reconnected, on Facebook back in 2013. And I was so happy to hear from her, after losing contact years ago. This breaks my heart, hearing about her passing. I just lost another friend, just last week.. who shared her name. I would like to send prayers to her family, her children, and to all of her friends. I hope one day my friend, we will see each again. Love you Dee Dee! I will forever miss you,
