“ I am sorry to hear of this so long after Buck passed away. I knew Buck from his pizza shop he had in Greensburg. Buck was a good friend that I lost touch with when i moved to New Hampshire in mid to late '80's. He always had smile and a joke to tell everytime I went to his shop which was twice a week. Godspeed Buck!

“ *Uncle Buck, the movie was the true life story of Dennis Weaver. When we speak of him there is laughter. His goodness, sharing, and love for family and friends will be the memories we keep. Always giving, always a story and most of all laughter. All that I have spoke to in the last several days have spoke of something special he had done for them. What greater can be said of any of us than to be loved and this he was. He truly left us with the gift of kindness. Original he was. Heaven will have a special arrivial--will not be boring. We send a sincere sympathy to the family. Dan and Donna Bennett*
