“ *Today we lost a very friend to everyone when GOD called her home for her eternal resting place. She made everyone smile when she walked into the room and she always has to talk to her friends and neighbors no matter how busy she is at the moment. She loves being with her Family and Relatives.*

When she came home she always has a smile on her face no matter how bad her day is at the time she would never let you see it.

Now this Lovely Lady has her wings and a seat at the right hand of the GOOD LORD.

We shall all meet again in HEAVEN again someday, until then be safe and save a seat for me at the BINGO table.
