“ Eddie you were and are my cuz, bff and the little brother I always wanted. We watched our first USFL game together while our parents were off hunting for a hunting cabin... We went to pirate and Steeler games together and one forgettable Pitt basketball game--we left early to escape the horrible bouncing ball for a cocktail-- AKA Beer and a shot in Bridgeville And then Fred's Place in California PA--when you were at my door --I thought for a visit-- Nope-- you locked yourself out of your car at Fred's place Thanks for the memories

Until we meet again
