“ Evelyn will always be remembered for helping so, so many people as a skilled, caring EMT and then Paramedic at the Washington Twp.-Fayette City Community Ambulance Service. She never failed to answer a call for help, filling shifts, teaching colleagues or raising funds to sustain CAS for the many years that it existed. Her mission was to aid others, many of whom she will now join in Heaven. Thanks on behalf of hundreds. Joe Grata, former CAS President.

Thank you for remembering everything mom did for the community. It really means a lot to our family that her accomplishments and selflessness was recognized by others, many of whom also made the same sacrifices for the betterment of our community.

“ Evelyn and I began our EMS career together. We were in the same paramedic class many decades ago. Our paths crossed on many occasions both on & off the ambulance. We were both co-instructors at PSU/Fayette campus and assisted with each other classes. She had an infectious laugh, beautiful smile and personality. A Great Woman!! You will be missed. Sandy Rank
