“ Dear Faustina, Shane, and Family,
We send our sincere sympathy to all of you and know your Mom is now with our Heavenly Father most likely playing golf and or one of her many other loved activities.
We only saw your Mom on two occasions when she was visiting Pampa. She was a delightful, fun loving lady. We arrived at the Curry home once and she came in from a long walk (she told us her distance and we remember --WOW!) She could put all of us in the shade when it came to physical activities.
You will miss her as we do our Mothers, but we all have comfort in knowing they are in a wonderful place.
God Bless You, Ramona and Bill Hite

“ Faustina, Shane, Faustine, and Stewart,
Our heart breaks for all of you. We are never ready to lose our parents. Having great memories of your Mom and Grandmother will always stay with you, and you will be able to laugh about memories at some point. It is hard now. We love you, Janyth and Charles

“ If there had been a ski candle, I would have lit it. Faustine always amazed me at her activity level. She was such a fun person, and she will be missed.
