“ *George would stop in front of my house and beep for me if I was late because he always caught me running out the door. I'd say "George I'd fail on tardiness if it wasn't for you." I invited him to my graduation party. To family he was a good man.*

“ So sorry for your loss, I was a Monessen Band Mom many years ago and George drove our buses to games, festivals, Disney world. He was a lot of fun to be around. The kids loved him even when he had to yell once in a while. Rest in peace George
