“ *Joe was my Uncle, but he was more like a brother. I can remember the time he spent with us when we lived in Roanoke, VA. He came one time for a visit and our neighbor taught him how to swim, the same way he had taught me and my brother. Taking us out in the lake where it was over our head and then telling us to swim to one of my parents. I will miss this man.*

“ I can remember growing up beside him. Spending time in our early lives more as brothers than Uncle and nephew. I will always remember him.
