“ *I would like to remember my Uncle Harry as a good man. He enjoyed live, he liked to travel with his wife Aunt Helen. They went to many places and I would like to hear him talk about what they saw and did over the years. Harry liked to watch children play and join in with them when he could . He liked to watch sports live and on television. I remember as a young boy he was a fan of the Cleveland Browns and Jim Brown their famous running back. When I was old enough he taught me how to drive a car in his Ford. He will be missed by all that knew him. Mike Wassilchalk, Jr.*
