A graduate of Rostraver High School, he was a veteran of the U.S. Army Air Force during World War II. He was a well known musician and vocalist, playing guitar, pedal steel guitar and occasionally bass, in and around the Valley. He played with numerous bands, the last being with The Jam Band at Hey Andy's, which he retired from six months ago due to failing health. In 2001 he was honored for his success in the music business, being surprised by over 300 people at a dance party held by fellow musicians to celebrate 60 years of entertaining.
