“ John and Lavern, I send my deepest sympathy on Jackie's passing. She was always visiting our home and telling such great family stories. My mom looked at her as being one of her own children rather than a niece, and loved having her come by for a visit. She will always be a part of our lives. Much Love, Leontine

“ Aunt Jackie, It's difficult to try and think of a single memory to share. When I think of you, it brings back memories of Thanksgiving dinners at your house and Uncle Andy telling us stories of moogoo's. Coming over on Christmas eve and you having a tray of black olives that we would put on all ten fingers. The incredible dinner spreads you would put out. Learning about our family history. You will be missed more than you know. Love Bryan
