“ We are so sorry to hear of Jackie’s passing. I have such great memories of her remarkable kindness and laughter. Jackie was SO charismatic and hilarious—she could certainly light up a room! She was my sister Kimi’s best friend in high school, and I’m so glad that they remained close after all these years. Yeah, they were sometimes pretty ornery, like two peas in a pod—Laverne and Shirley, or Thelma and Louise, and they had SO many good times together. They had an enviable, wonderfully special, amazing friendship that lasted 50 years. I hope that you find peace and the warm, loving memories and photographs give you some comfort during this time.
