“ Beth and Karen,

So sorry to hear of your mom's passing. Surround yourself with family, friends and may the sharing of memories and lots of hugs help you through this difficult time. Lean on each other.

It is sad to lose a parent, someone you have always looked up to, someone who had the perfect advice and so much more. Finally, let all the lives she touched remind you what a wonderful woman she was to all that knew her. Remember all those memories and life lessons that she created and instilled in you that will help you grow and get through this sad time.

I remember walking up your steep steps on Davidson Dr. trying to sell whatever fundraiser at the time or being next door at Lario's for get togethers.

Speers Hill will deeply miss her.

“ *Sorry for your loss She was a nice, kind, funny person. Many years ago we would have morning coffee together, share stories, laugh and then we would start our day at MVH*
