“ Jeff, Denee & Janet, I am deeply saddened to learn about your dad's death. I didn't realize your loss until today when I was searching for someone else's obituary or I would certainly have paid my respects in person. Not only did I have the pleasure of being one of your dad's students, I had the honor & privilege of being his friend. The evenings on the pistol range with him and the many hours spent in the woods deer hunting in the mountains are some of my fondest memories. Please express my condolences to the rest of your families and know that I will cherish memories of your dad forever. Sincerely, Bruce Smith
