“ I was watching fireworks in Rehoboth cemetery with family members when I heard of the great loss to the Ward family. This is so sad again. I have always enjoyed this family as students. May God grant you peace and comfort. Nancy Berna

“ We were so sorry to hear of Jesse's passing. We had so hoped that he would overcome his difficulties and hope that he has now found some peace. We made his cousins laugh and they all enjoyed spending time with him especially at Grandma Grace's and Pappap Paul's home and at Cedar Creek Camp. We want his surviving relatives to know that we will remember him and the good times we shared. Please accept our deepest condolences for your loss.
