“ So very sad to hear of her passing. I just recently was blessed to have met Joann, unfortunately it was because of her grandson's funeral. It took only a few minutes of talking with her, to see where her daughter got her fun spirit & great love for others. I know how much she will be missed. And I will never attend another family gathering, without remembering Joann, and thinking that each family member needs their own special colored beverage cup :)
With love & prayers to her whole family- Laura

“ Dear Fields Family, I am so sorry to hear from my family of your loss. I have many fond memories of times spent at your home and the love and warmth of Mrs. Fields. She nursed my father in his end days and was one of the influences in my choosing nursing as a career. You are blessed to have had her in your lives. I am keeping you all in my thoughts and prayers for God's peace, comfort and loving embrace.

In Christ's Love,
Chris
