“ This has come to such a surprise that Joe has passed away in May. I was just writing his birthday card and thought that I hadn't heard from him in a while. He promised me many years ago that if anything happened to him he would make sure I would find out. I live in Florida but I was once his secretary. Joe and I were close and were dear friends for over 40 years. I have no idea what happened to him. RoseAnn if you are reading this please call me and tell me what happened. I loved this man. “ Our thoughts go out to Joe's family. I remember Joe from Jr/sr high school. Barney had a great sense of humor and a happy face for just about everyone. Joe had a easy way to make friends and keeping them for life. Rest in peace big-guy. Vince Johnson-Georgetown, TX
