“ Michelle and Katie, I'm so sorry. She was one of the nicest and kindest people I ever met. I have so many memories from when she and your dad first moved next door and all of the times I saw her. She always had a kind word and a funny story. The world is a little less bright without her in it. She was one truly special person. Love to you and your family. Cathy Schmidt

“ Judy & I met through volunteering with Kay ordering Girl Scout Cookies. Judy always seemed to be around & we chatted about the girls. When Judy decided to sell her home on Twin Bridges, she called me to help. We'd spend hours every time I went out and it would always lead to the pride in her home and all of the projects from her garage loft. The work she did to make it a homey place and the bedroom decor for her girls. You girls and grandbabies were her true joy. She always had pictures to share with me. We house hunted a while, but she knew what she wanted. When she finally got her new home, she had me come to show me her projects and how it was such a blessing have it near her sister. She has touched the hearts of so many, I am sure God needed her flower growing skills, creativity and music in heaven. I am so sorry for your loss, you were so blessed with such a beautiful mother, inside and out.

“ *Judy was like the neighborhood mom to all of michelle and Katie's friends. She was the cool Kim who always made the good food and had the good snacks and the awesome pool to swim in. From numerous sleepovers, new years eve parties, birthdays, summer nights, music, laughs and love.....Judy was an amazing woman and mother. She raised 2 amazing women and I'm so lucky to have been able to know her. Her smile and laugh will never be forgotten*
