“ I had the pleasure of being Judy's friend through high school and college. We car-pooled to Cal State and had the best times. I am very saddened by her passing, and I know heaven gained a beautiful angel! Camille Salvino Hixson

“ I met Judy when Skip brought me home for the first time. She was just a little girl who loved the Barbie clothes I made her, and I loved making them. She grew up to be a kind and giving woman who did not hesitate to donate a kidney when Skip needed it, and we will never forget her. Rest in peace
