“ *She was the best of us..Her kind gentle spirit, her loving caring soul, her pride in her children and grandchildren, her sister and nieces, her grand nieces and nephew.*

Never spoke ill of anyone and always look for the good in everyone. She was so great full to those who took care of her in these last trying months. “Terri “I couldn’t ask for anything more than how much they’re taking care of me.” She said on my last visit with her.

Gone to soon and will be greatly missed. Love always. Terri
