“ Aunt Katie was exactly what an aunt is supposed to be, loving, caring, gentle hands, and always kind, soft words of encouragement. Even though I grew up on the West Coast, Aunt Katie was often in my thoughts because of the impression she always made on me when I did get to visit her or when she came out west to be with her California family. The last time I got to spend time with her was when she came out to California to help her sister, my mom, help with my father, who was dying. Aunt Katie provided love and comfort to my mom and to my dad in his final days and moments on this earth. She also sang Retorne Me at his funeral, which was the one of the most touching moments I will always remember. She will always be in our hearts and thoughts whenever we experience kindness, as she was tje epitome of this emotion. We love you Aunt Katie and you will never be forgotten. Nephew Sam & Family

“ *Dear Tina, I have fond memories of chatting with your mother a few times in church. The first time we sat next to each other and shared hymnals. At the end of the service, she said you know my daughter! and introduced herself as your mom. She was so kind...just like you. We are so sorry for your loss. All our love, Carol, Gary and Ethan Davis*
