“ It was a blessing to have known and worked along side miss Kayla Marie. I always joked that she was the reason I knew any Taylor Swift or Justin Bieber songs, and that it was worth the torture of listening to them on repeat just to see her smile. The world lost a bright light. She and her family are in my thoughts and prayers. Rest in peace, beautiful girl.

“ My deepest sympathy Kim and family. I'm so saddened to hear of Kayla's passing. I just loved her the year I got to spend with her in my class. May she forever dance with the angels being her ornery self.
