“ I remember a time when as a young boy i was working with Kenny on the farm and i was overcome by the summer heat. Kenny picked me up and carried me all the way back to the farm house. He was strong and caring. I think of that time often. Thank you Kenny. Im sorry to see of his passing.

“ Kenny was my cousin and he lived on a farm near Sacred Heart Cemetery. My family, Mom and us kids worked on that farm for food. Kenny taught me a lot on the farm and all of the Green's had great time with him. He loved to show us his guns and he loved hunting. Despite we did not get to see him often, because of where he was moved to, he was loved by all of his family. He will be very sadly missed. Carla Sauritch

“ I think back on the summers I spent on the farm working with Kenny, Pete and aunt Helen. There was never a more loving , hard-working family. Rest in peace Kenny.

I will always remember the times we helped on the farm and what great people they were. I learned a lot from Mr and Mrs Beck and Kenny. I am so happy my sons got to know all of them and they learned about farming from Pete and Kenny. No better people 🤔🥹
