“ Kyle & I grew up together,,our families close friends,,went all the way thru school with him. At one of our class reunions -1969 grads of BVA,,we were the only two who wore our class rings,,in recent years with the connection on fb,,I had posted him some pics of us,,as kids,,at the annual parties our parents had. He got a big kick out of seeing those! And he was my intrepid cat sharing buddy,,I know he loved his Rufus. My heart and prayers go out to you, Jamie,,and I will never forget the bd party when you showed up in his old football uniform,,My thoughts and prayers to his children,,and grand-kids,,and his sister,,Dance across the heavens, my friend.
