“ Mollie, I don't believe we've ever met and I haven't seen Larry since high school, but I have fond memories of those times when we were friends. And I did consider Larry a good friend!
I remember fun times with Larry and his little black MG, a day on Cheat Lake in his family boat, and going to the Senior Prom with Larry and his date!
We were in the Bellmar chorus together and along with Lee Cornell, we drove the director crazy, laughing about it during every class period!
I hope you and your family can also eventually look back on the good times and memories that you all shared and smile.
"Don't cry because it's over, smile because it happened".
God Bless you and yours. I'm sorry I can't be there for Larry's service.

“ *Larry and I hunted the hills around BV for several years while we attended high school. We dated two sisters in town and in general "hung-out"...*

I remember the wonderful old hunting dog that he had... Probably an English Setter... Sorry we didn't have a chance to see each other in our later years...

Miss you Larry, you were one of the "good guys"...
