“ My family lost a really amazing guy when my pap passed away, joining my Granny wherever your soul journeys to after your physical can no longer continue to carry you forward.

In remembrance of my pap, you're welcome to watch the video of him skydiving at 91 years old here: <https://youtu.be/wu5P-QZn5e0>  
❤️✈️ I'll miss his ornery smile and his crystal blue, sparkling friendly eyes. Rest in peace, Pap, I'm glad you and Granny get to be together again now.
