“ Linda, you are my rock, my best friend, only friend that I ever trusted with every detail of my life! As we talked about our lives thru the years...

Never forget the evening ,when you asked me to be your maid of honor! I couldn't wait til your fifth anniversary! I wanted a big party for you and Rueben! Things don't always work out ... as we plan them...

I was so blessed to be with you so many years and to live with you the past weeks! The quality time we had was priceless! I will cherish our talks we had at nite!

I LOVE you so much and will definitely MISS you ! As I told you I will cry! Even though you told me not to, it will be ok! I think you are in my soul cause when I do cry, I can make myself stop... which I never could before... Thank you for your Love and for being my sister, my friend, my everything ! Until we meet again.

Thank you Lord !
