“ *Lorraine was the high school secretary in West Newton while I was attending there. During the winter of 1963-64, she became ill and I was chosen to fill in for her in the office during my senior year. I felt honored that they chose me because I really liked her and respected her so much. My happiest day was when she returned to work healthy. Being thanked by her is a cherished memory for me. My deepest sympathy to her family. Marilynne Berestecki Libbos*

I spent a lot of summers at my sister Gloria and Carl's house when I was a young girl and I remember she went with us to Kennywood one year and we had lots of fun. I remember her always being around when I was at my sisters house. She was a beautiful person.
