“ Dear Janice and Raymond, Our parents were best friends and your mom was always Aunt Sis to me. She was a loving mother, wonderful friend and I always looked forward to coming to your house especially for a Saturday night card game. I find comfort in knowing our parents are together again.

“ I learned to love the Spanish language from Mrs. Waite, and have often thought of her as I traveled, without difficulty, through many Spanish-speaking countries. If the measure of one's life is the positive impact we leave behind, Mrs. Waite's was a life very well lived. B. Walters, Class of '84
