

Madeline Clark

October 26, 1938 - November 6, 2022

Madeline Clark, 84, of Los Angeles, formerly of Belle Vernon, went to be with the Lord on Sunday, November 6, 2022. A daughter of the late Miller and Anne Kurpiel Savage, she was born on October 26, 1938. Madeline came to Southern California a young, adventurous woman on her own and left a mature, generous and giving woman with a lifetime of memories and a huge circle of friends. She had many wonderful memories of raising her son, Mark, and of being involved in his education. She cherished having her mother as her neighbor and her friends from her days at the local school where she volunteered selflessly. She enjoyed friends from the bowling league she so loved, from the adult classes she enjoyed so much, and from her neighborhood where she raised her son. She was special to her neighbors that she loved to visit with and to their dogs who could always count on her for the best treats, including doggie ice cream on Sundays. Even the neighborhood cats visited her daily. She bonded with the healthcare workers at Kaiser where she was a twice-weekly regular during the last few years of her life. She was also special to the letter-carrier, the gardener, the trash haulers, and to the many charities and churches she supported. She had friends everywhere and she took the time to learn their stories. She truly never met a stranger. In addition to her parents, her spouse and son preceded her on her journey to everlasting peace and without a doubt, she has received the greatest welcoming imaginable. The good soul that is our friend Maddie is enjoying a peaceful, happy and healthy homecoming that her big heart and

beautiful soul deserves. Local arrangements have been entrusted to the Ferguson Funeral Home and Crematory, Inc., 700 Broad Avenue, Belle Vernon. 724-929-5300. www.FergusonFuneralHomeandCrematory.com. Interment will be in Belle Vernon Cemetery.
