“ My brother, we were always competing and we did a lot of fighting—my mom used say “ You do know you are brothers”.
As we got older he did his thing and I did my thing—he was the outdoorsman and I was the athlete who was all into sports.
I didn't agree with everything he did but I did respect him and his views.
My mom said to me before she passed away “ Tony you make sure you stay in touch with your brother”—She was special.
I do have one story about me and my brother when we growing up—as a Kid I was into G.I. Joes—so Mark and his friend Mickey Tirpak decided that one of my G.I. Joes needed a grooming—so they preceded to shave off the beard and they left it with a mustache and a soul patch!!!
I went ballistic!!! So that made my Dad go ballistic on Mark and Mickey!!! I ain't never heard so many words come out of my Dad's mouth that I didn't know!!!
What's really funny is that I grew older I grew a mustache and a soul patch—Hahaha!!!
Of course I did it because my Pap had one.
Mark , I'll miss you

“ *Mark's personality was as big as he was... His joy of singing for the Lord was a defining part of his life... My sincere prayers are for Vickie and his loved ones at this time of loss and grieving... Yet, I believe Mark has never smiled so wholeheartedly, or sung so beautifully as he does now... May the comfort of the Lord be with you, Vickie...Pastor Bill and Cherie Bailey*
