“ Mike was a long time friend and former neighbor. We had many conversations at the YMCA as we worked out together. I saw and talked to him often at car wash. His passing is an unexpected shock. An unbelievable event. Mike, my friend, Rest in Peace. As has ben said with a great deal of persuasion, , The Good die young.

Our deepest sympathy and prayers to you all. Mike was a Dear friend and a truly good man. He took my son under his wing years ago and was such a good mentor to him. But most of all he became a big brother and cherished friend . Our family is forever grateful for his kindness and friendship over the years, he will be greatly missed by all whom were fortunate to know him and call him a friend. God bless you with restful peace . We are all here for your sweetheart, and our thoughts and prayers surround them during this very difficult time .
