“ I recently found out on the internet that Nellie had passed. I'm the daughter of Eleanor (Valdiserri) Negleman who was Ernie's Cousin. Although I was born in Charleroi, I was raised in Illinois, but vacationed often back to Belle Vernon to visit my relatives. I remember always going to the bakery and so looking forward to seeing Nellie. I remember as a child thinking she was one of the most beautiful women I had ever seen. Being allergic to flour, I could never have any of the bakery items, but I enjoyed visiting with her. I can't remember exactly which daughter it was, but I do remember going to Kennywood Park and riding on my first roller coaster ride with one of the girls.

It just so happens that a couple years ago my son and daughter in-law were taking a motor cycle trip on the East Coast and they planned a short stop in PA to see where my family came from. The only person that I thought might still be around was Nellie, and they made contact with her and had a short visit with her. They too had nothing but wonderful things to say about her. They had planned to stop at the Valdiserri Bakery after their visit, and when they did, they picked out a few items, and when they went to pay, the person waiting on them said he couldn't take their money. Nellie had called ahead and said, they weren't to accept any money from them. What a sweetie!

I arranged to have my mom, who lives with my husband and myself, in AZ to call, and the two of them had a chat. Please accept our condolences, and be assured that we will offer prayers for all the family.

“ I am so sorry for your loss. I remember your mom when we were in grade school and we played at your house on Henry Street and, of course, seeing her at the bake shop. I hope you and your family are doing well.

“ Valerie and family, I am so sorry for your loss. Even after all these years, I have very fond memories of your mother during the many days that I spent at your home and in the bakery. And, just a few years ago, she offered me her delicious fudge when your family was sitting on the front porch and I just popped in.

My thoughts and prayers are with you. Carol Ferguson Davis
