“ So very sorry to hear of Pam's passing. She was my backyard neighbor and sometime babysitter. Whenever we'd bump into each other, we'd talk and laugh-she could really light up a room. She will be greatly missed.

“ *Pammy was my best friend when we were little girls. We spent many hours play with pee wee dolls. She was so creative with them she made so many outfits and decorate rooms. As we got older and went in different directions when we would run into each other it was as if time hadn't passed. Preston I am so very sorry but your mom left you with so much love and wonderful memories. She will live on in you.*

“ *I will never forget Pam. I met her as a little girl and was only 4 years old and she was either 9 or 10 years old when we started cheering together for the Washington Twp. Redskins. I looked up to her like a big sister and loved her so much! She was beautiful and kind. She treated me like a sister. I was so sad to hear of her passing. You all have my deepest sympathies. My condolences, Jackie Ortolona*
