“ *Kuma Paulette the most kind and gentle soul I ever met.....
My very first half dozen years as a new nurse was under the
mentorship of Paulette. She inspired me to be like her in every way
as she was so kind, loving and giving. She was such a sharp and
smart nurse and as head of the Coronary Care Unit at Presby. She
managed the unit so efficiently and professionally with such
tremendous compassion for everyone she was in contact with
whether a new nurse, an experienced physician, a unit secretary or
the critically ill patient who just rolled in from the emergency room.
She was my role model as a young woman that I aspired to be like
as a nurse and then as an Orthodox Christian.
She will be so missed.*
