“ To Ron's family, we are sending our deepest condolences. Ron was a dear friend to every member of our family. He shared prayer requests with our family & we shared our requests with him. Ron was an ever giving person to his friends & family of all their needs. It was clearly evident he loved his children & grand children, he was proud of each one of them also, never doubt that. He spoke often of each of them.

Our most personal memories of Ron were his love of coffee, ice cream, fishing & joking, having a good time.

Ron is now with his parents as he talked about often, painful for us, but joyous for Ron to be in the presence of our Almighty God & all his Glory.

May Jesus surround you at your time of need, give comfort, peace. The Stoners, Vivian, Cassy, Odessa, Nathan & his family.

Thank you for these words of comfort. I'm sorry I haven't responded sooner. It's taken me this long to open his memorials. Your prayers are always appreciated. And your family will always be loved and have a place in our hearts. Love, Becky

“ *Its hard to pick just one memory when there are so many that I will always treasure. I am so glad that I have them so I can keep him alive in my heart. My pap was one of the best people I knew. He would do anything for anyone. I admire his strength to get past the struggles in life while still being filled with love and happiness. My memories include gaining an appreciation for antiques and yard sale hoping. That was a favorite of ours. He also taught me to fish. Shared his love of camping with me. He has shown me so many things in life. The simple pleasures that ensure life's happiness for a length of time that's longer than any possession you could dream of. How to feel better when you hit a bump in the road. I just need to say. Thank you pap for showing me the secret and meaning to life. It wouldn't be the same without you. I love you with all of my heart. The world may have lost you physically but I know you have touched many hearts and will not be forgotten.*

Love you always
