“ Rose has always been one of my favorite people. Rose was classmates with my grandmother, Theresa Toth. That is how I had the privelage and honor of meeting one of the most loveable people I know. I have so many wonderful memories of Rose from The First United Methodis Church and Hills. I had the best time ever when I worked for Rose at Hills :) Even after I left the area, Rose was one person that I always hoped to see when visiting. She gave the best hugs and her smile lit a room!! I will miss greatly and am so sad that I can not make it back for the Funeral. My Condolences go out to the Family. Rose is now with the Lord and her husband again. She will never be forgotten!! I love you Rose!

“ Rose has always been one of my favorite people! I have so many great memories of time with her from the First Methodist Church and Hills. My grandmother, Theresa Toth, was a schoolmate of Rose's. That is how I had the wonderful privilege to meet her. I later worked for her at Hills. And then spent time, while growing up, with her at church. Even after I left the area, Rose was someone that I hoped and loved to see when visiting my family. She always gave the best hugs and her smile lit up a room!! I will miss her greatly and am so sad that I can't make it home for the funeral. But she is with the Lord and her husband again!! Please accept my condolences for your loss. And know that Rose was loved by so many people!!!
