“ *I also remember the garage, cigar , George and the pocket watch lthey gave me for Christmas. The best memories were the smiles they had on their face everytime I saw them and the way they cared about everybody. There is not a time that I go by Snowball Gate that I don't think of them. They are a special part of my childhood memories. I wish I could have been there for the viewing, however, my job would not allow me. My thoughts are with Mrs. Amato.*

“ Hi Mrs. Amato,
I was a neighborhood child when you and Mr. Amato lived in Levittown. I would often visit with Mr. Amato and George in your garage. I remember his cigars, and that he had a riding lawn mower with a plow attachment. He was such a nice man, and a freindly neighbor. He would even let us swim in your pool after you had it built.
I will always think of you, Mr. Amato, and George with very fond memories, and I've thought of you over the years. Thanks for being such great neighbors. It can be hard to find that these days.
My condolences to you and the rest of the Amato family at this time of your loss.
Sincerely, Lizz Granados Cooper
